

## Someone who inspires me

Brown eyes and long dark hair,  
Pretty, helpful, kind and clever;  
Always is in jeans or trousers,  
Seldom wears skirts or blouses;  
Fond of books, long walks and cats,  
Hates ill manners, meat and hats;  
Loves her work and works a lot,  
When is free expands her outlook  
With the help of books and theatre,  
Meeting friends, a good newspaper.  
Calls the doctor when I'm ill,  
Cleans the flat, pays all the bills;  
Does the shopping, feeds the pet,  
Plays the piano, surfs the Net;  
Goes to the park with me,  
Buys some tasty things for me.  
May be angry when I'm bad,  
Gives support when I'm sad.  
One from millions, loved, desired,  
She's my mother whom I admire.
